Analysis

- **NAWCTSD RRL Steelworker & Explosive Ordnance Disposal:** Conducted the accelerated delivery of a Front-End-Analysis (FEA) to define current state and gaps of these existing training programs; Utilized SolersRG's internal FEA methods to support streamlining the USG process.
- **NAWCTSD ATMM:** Aviation Training Media Model (ATMM) develop/update the SolersRG proprietary Media Model creating an automated tool for USN and USMC aviation training methods and delivery selections. Updates based on latest AI, AR, VR, low- and high-fidelity technologies.
- **PM TRASYS FEA IDIQ:** To serve the Fleet Marine Forces (FMF) in meeting the existing and emerging training requirements, conduct FEA needs to be performed on the currently fielded as well as the emerging systems to ensure the FMF receives the most effective training.
- **USMC:** Analyzed current operator and maintainer competencies, training, and equipment requirements to incorporate the Joint Light Tactical Vehicle (JLTV) .

Curriculum Design & Development

- **NAWCTSD FMS Courseware Conversion:** Republic of Korea Navy (ROKN), Royal Australian Navy (RAN), Greece, India with a focus on MH-60 pilot, operator and maintainer training.
- **USDA/USF:** Conversion and new development integrating learning theories, engagement, and technology into 8 separate efforts.

3D Modeling Sims & Games

- **Army University:** Mobile Division support for development of mobile/web applications as low-level AI, 3D asset and virtual environment modeling, and gaming solutions.
- **Aegis Technologies:** Generated detailed game-based engagements and capstone events at a Level 3-IMI for the Husky Mounted Detection System (HMDS).

Instructor & Services Support

- **FDIC:** Provide Corporate University (CU) with ISD support.
- **WVARNG:** Redesign of the West VA Army National Guard curriculum.

Electronic Classroom & Furniture Installations

- **India Navy MH-60R Operator and Maintenance Electronic Classroom (ECR):** Performed network setup, installation, learning management system (LMS), and IT support for the Foreign Military Sales (FMS) at Naval Air Station (NAS) North Island, CA and support to Kochi, India.
- **US Corp of Engineers: F35A Armament Research Facility & US Air Force Combat Rescue Helicopter Training Facility:** Purchased and conducted installation of all office furnishings, cubicles, specialized furnishing, AV platforms for F35 Armament Research Facility and USAF Combat Rescue Helicopter at Eglin Air Force Base and Duke Field.
- **NAWCTSD – NAS Jacksonville - ALFS Electronic Classroom Installation:** Provided an ECR buildout for the Airborne Low Frequency Sonar (ALFS) Aviation Electronics Technician School located at Naval Air Station (NAS) Jacksonville.
